

The Perfect Preference Card

Key Features

A.I. - Driven Reporting

Fully Customizable Preference Cards

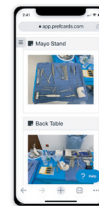

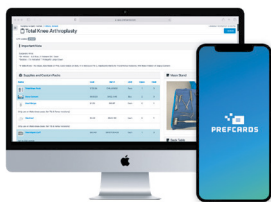

Image Notes

QR Enabled SmartCards™

Cross-Platform

“ We’ve been using PREFcards now for over 12 months and it’s been very helpful streamlining the process of updating our surgery preference cards, keeping them organized, and making them legible. PREFcards is easy to use and has been extremely helpful to the satisfaction of employees, surgeons, and staff. ”

- Kathy King
Specialty Surgery Center, an HCA Facility

SURGEON, VA
